

VOLUME FOUR

THE LONE TRAVELLER

SUKHOTHAI

Steeped in rich history, Sukhothai welcomes like an old friend that sits almost frozen within the golden flourish of 13th century Thai dynasties. Towering ancient temples resist time and stand peering over an everlasting evolution.

Sukhothai - 'dawn of happiness', and its people, are a place of centuries old with simplicity of heart. You'll feel connected and transported, at once and the same.

Our fourth volume of the Lone Traveller is a dedication to the tradition of the life tourist, imprinting flavour to memory, time and again.

PART ONE: STRONG

BANANA BASKET 1.4std | 20

Not a day goes by on the streets of Sukhothai, without seeing a cluster of tropical bananas. Petite, sweet, delicious, and abundant – even chocolate coated. A flavour reminiscent of childhood, just peel and bite.

YOUNG PRINCE 2.0std | 21

Enlightenment comes in many forms, as does temptation. Check the histories, and the lessons abound. This is a tribute to the witness of the Earth Goddess, her gift of ingredients and the persistence of a young prince to sit and peacefully enjoy.

PART TWO: SHARE

TWELFTH CHILD 6.5std | 75

Serves four people

In this elusive Sukhothai teahouse, hospitality abounds as you sip and witness a plush oasis. In a serene landscape, hidden from the world, 'Dozen' shares joy and good times to remember with friends, for he is, - 'the twelfth child.'

SUKHOTHAI SPRITZ *gls/btl*

1.16/5.8std | 22/75

Do as the Thai do – their friendliness and compassion should be mimicked the world over. A colab with our friends at Republic of Fremantle, to create a drink made with friends, for friends.

PART THREE: FRESH

GINTONICA 1.7std | 16

800 years of tradition delivers an approach strongly known as 'Sukhothai Style'. In everything the Thai do - from noodles to ceramics, glistening gold, and even a way of life, this is an ode-fashioned gintonica to get you through those Sukhothai Style days.

MARKET MOSCA 1.2std | 22

In the markets filled with fresh produce, even on searingly hot days, the Sukhothai maintain a quality that displays their ingenuity and is reminiscent of 'Con la mosca'. Also known as 'with the fly', representing health, wealth & happiness.

MAIMEE VICE 1.9std | 23
(translates to "don't have" vice)

Combine the fresh pressed sugar cane sips from the northern markets, with the ice cold coconut frappes from the south, and traverse this reimagined Miami Vice.

RICH BOI 2.2std | 23

In Old Sukhothai, everyone visits Bar64000. Bar owners, locals and tourists alike, but no one rules the roost more than Rich Boi – and he’s a dog. Pat on the way to the bar why don’t you.

REDUCTED 2.3std | 26

“I felt carefree in Sukhothai, throwing caution to the wind, but being carefree doesn’t always mean safe in Sukhothai. It’s like aimlessly driving through a remote forest, realising that every engine light is covered in duct tape. I quickly became scared and alone in the world!”
- *The Lone Traveller*

CHANG LUCK 2.2std | 23

Find relief from the sun’s blaze at the temple of Wat Chang Lom. The soothing touch of the cool breeze, the refreshing flush of the shaded green forest, all while you count the wizened, wandering elephants. Pick the right number and its Chang Luck all day long.

GOLDN DAZED 1.7std | 22

Sukhothai gold hypnotises people the world over. With blinding purity and exquisite detail, you will need far more than Chang luck to avoid the spell that this gold casts. You’ll be left dazed and confused.

PART FOUR: HEAT

DAWN OF HAPPINESS 1.6std | 21

Durian is a tropical fruit with a sorely misguided reputation. Even banned due to its odorous personality, the Thai simply say, "If the fruit is happy, it is delicious". We promise the dawn of happiness with a happy fruit!

THE WARMTH 2.1std | 22

Ceremony abounds worldwide and flying solo doesn't prevent the search in all stops and shores for a good bean. In this eclectic & novel café, the barista, the blazing coffee, 'The Warmth' brought comfort of home.

PART FIVE: SWEET

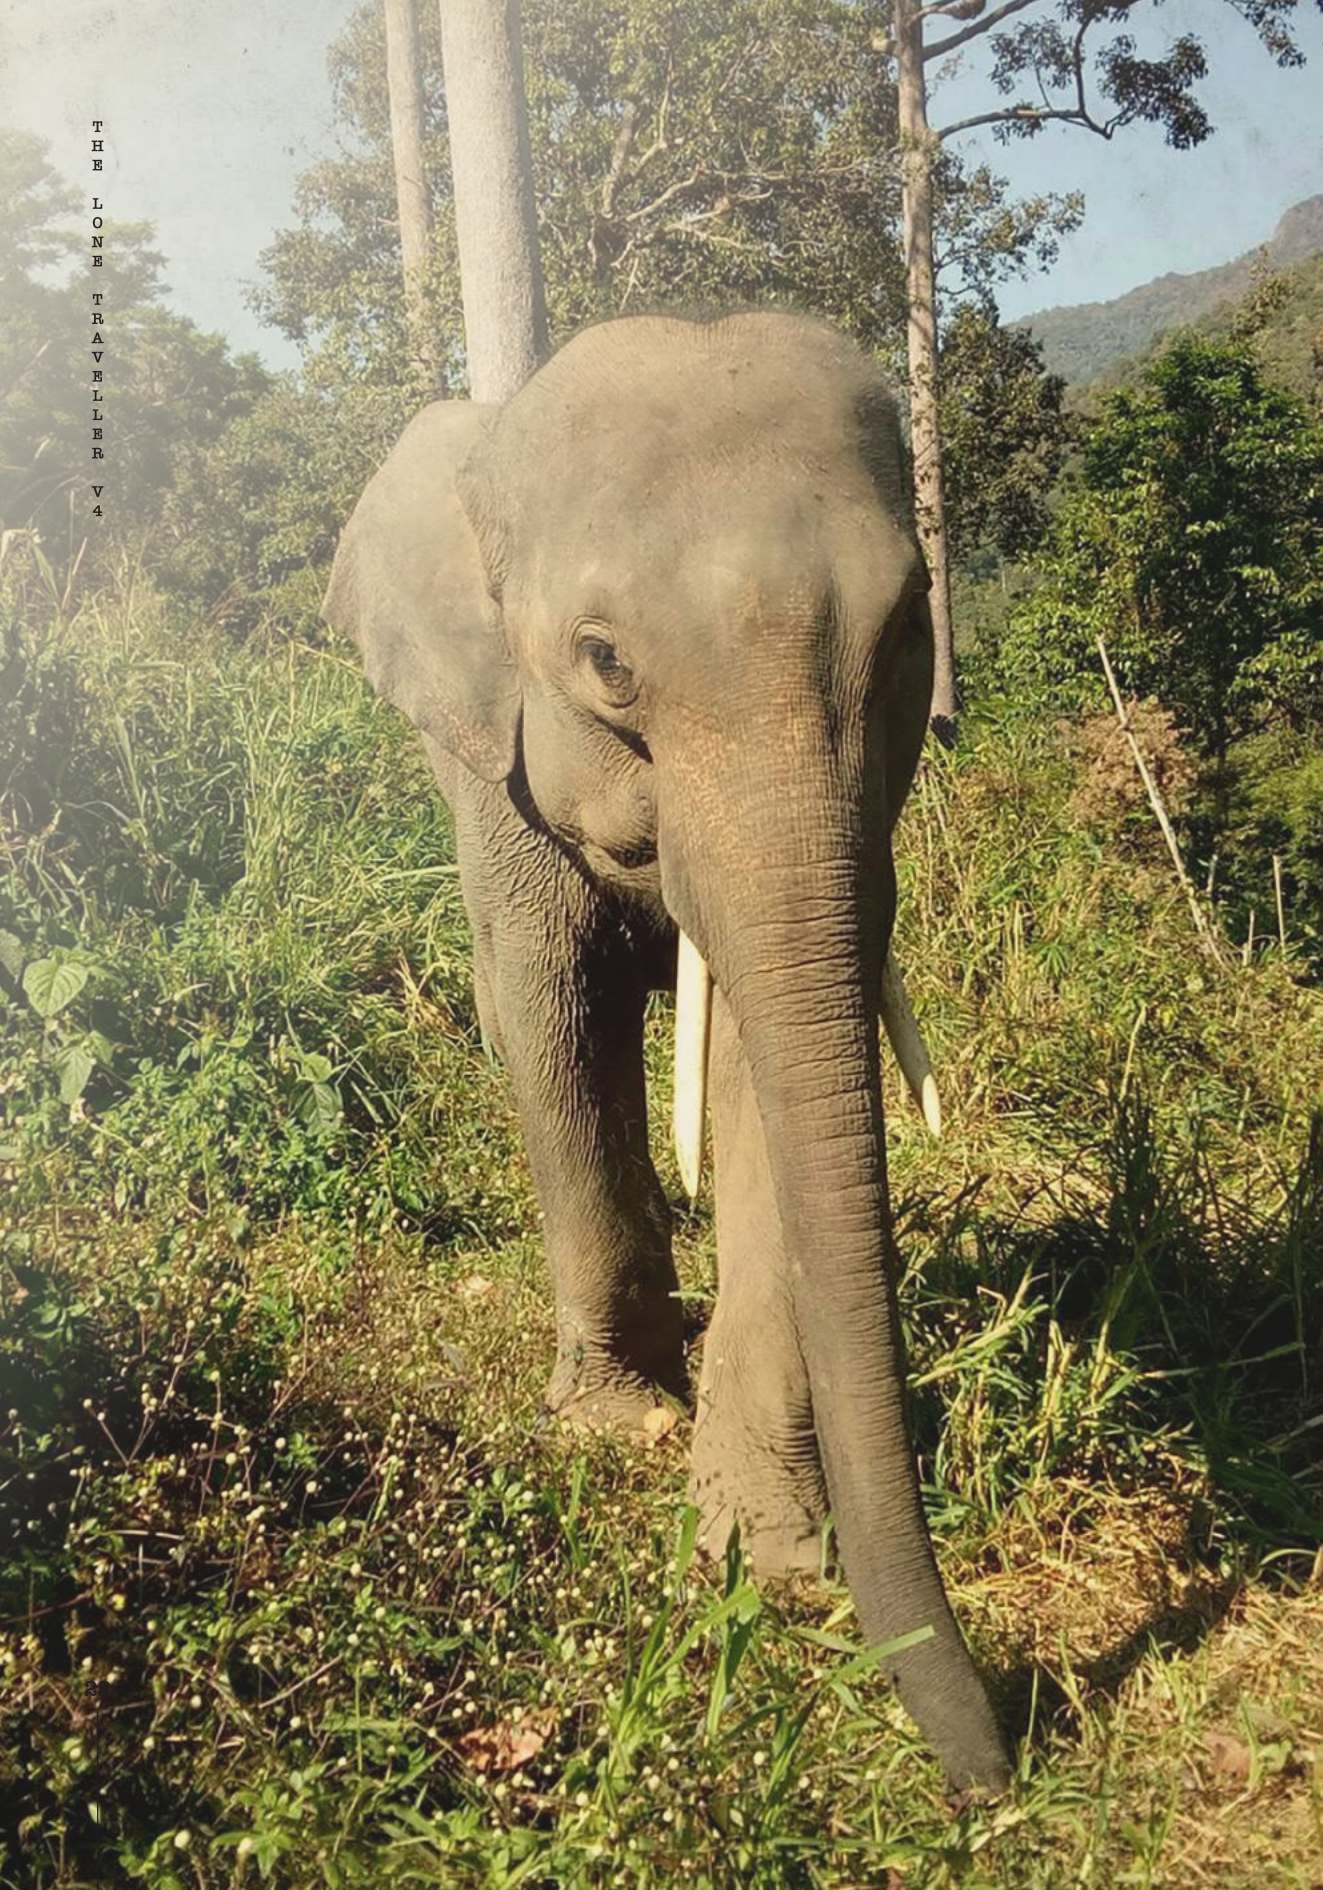

SOC C E R T H A I 1.9std | 20

Football is huge in Thailand. The sweetest display of the essence of Sukhothai relies on a community – a community of ecstatic humans who covert joy and cheer through hard work and comradery. Taste the stadium - win or lose, a game changer.

CASH MAMA 1.7std | 21

Mai Klang Krung (“tree in the middle of the city”) draws locals, old and new, far and wide, for their famous noodles, but the real trap is the signature dessert. A nutty twist on an amaretto sour where translation tastes best on your palette.

Less hasty am I than the wind, yet I must go.
We wanderers, ever seeking the lonelier way,
begin no day where we have ended another day;
and no sunrise finds us where sunset left us.
Even while the earth sleeps we travel.
