WHERE IT BEGINS

The State Buildings acknowledge the traditional owners of this land on which we meet.
We honour and respect the Whadjuk Noongar People and their continuing connection to this Country.
We welcome all, and pay our deepest respects to Elders past and present, today and always.

Located at Perth's Point Zero, the State Buildings
has been the heartbeat of the city since 1875.
Formally known as the Lands, Titles and Treasury
buildings, today this iconic heritage precinct is
the very centre of Perth's cultural and social hub,
a progressive collection of dining, bars, retail,
wellness and luxury accommodation.

We warmly welcome you
to discover our historic home in
Perth's beating urban heart.
