COCKTAIL MENU

VOLUME TWO

THE LONE TRAVELLER

KOH SAMUI

The renowned coastal paradise of Koh Samui lies
600 kilometres south of Bangkok.

The shallow volcanic island – filled with coconut trees, monkeys and the occasional marooned fisherman – remained largely unexplored by the outside world for many years. In the 1970s, hippies and backpackers started to stumble across the intriguing haven...and it slowly began to emerge as the bustling sunset destination and tourist mecca we know today.

In our second instalment of 'The Lone Traveller', get ready to explore the natural gifts and playful culture of Koh Samui.

Immerse yourself in a melting pot of exotic flavours with our journey of eight progressive cocktails – crafted with sustainability and a waste-conscious philosophy in mind.

Tropical Fruit

VOLUME TWO

COCKTAIL 1

pineapple

gin | pineapple | citrus | fizz

22

COCKTAIL 2

coconut

rum | fino | coconut | vermouth | lemon myrtle

21 / 80 (700ml bottle, serves 4)

*South of the island, Duang Kai's Coconut Farm.
The salty coastal air is hot and dry. Even the heat doesn't stop the
locals from hand harvesting the best coconuts I've ever seen.*

VOLUME TWO

COCKTAIL 3

lychee

gin | lychee | blackberry | kaffir lime

25

COCKTAIL 4

durian

rum | durian | pineapple | milk

22

At dusk, the markets come alive with vendors hawking fresh fruits and vegetables to locals and tourists. Ripe bananas, pungent durian, red rambutans and sweet lychees overflow from the fruit stalls.

Tropical Plants

VOLUME TWO

COCKTAIL 5

fino | green walnut | thai coffee soda

22

*The island is flourishing with natural beauty - towering palm trees,
bright, flowering hibiscus and jasmine in bloom.*

COCKTAIL 7

jasmine

cognac | vermouth | mandarin | jasmine

23

COCKTAIL 8

chrysanthemum

distilled flowers | blackberry | miso | tonic

21

Rich Night Jasmine fills the air with its soft and sweet aroma.
