

WILDFLOWER

The wines served at Wildflower represent a sense of place. By sharing these wines with you, we also share the stories & history of grape growers and winemakers who work tirelessly to create expressions of site and soil. These wines are true statements of the land in which they were grown and are sustainably produced, with integrity and respect.

BIRAK – SEASON OF THE YOUNG

Birak marks the hot and dry season, when the warm days are cooled by the afternoon sea breezes. An abundance of food sources still remain including mammals, birds, reptiles, and yonga (kangaroo). The start of the season sees the vibrant flowering of Nuytsia Floribunda, also known as the Western Australian Christmas Tree.
