

# WILDFLOWER

*The wines served at Wildflower represent a sense of place. By sharing these wines with you, we also share the stories & history of grape growers and winemakers who work tirelessly to create expressions of site and soil. These wines are true statements of the land in which they were grown and are sustainably produced, with integrity and respect.*

## *DJILBA - SEASON OF CONCEPTION*

*During this season the wattles come into full bloom, along with lemon myrtle, and this signals the start of the mass blooming in the south-west. Large birds nest to hatch their eggs and popular foods include yongas (kangaroos) and weitj (emu)*
