LOUNGE AND BAR

The Treasury Lounge and Bar afternoon tea highlights Western Australia's passionate producers that are dedicated to providing us with exceptional ingredients.

Situated above Point Zero — the marker from which all distances to Perth are measured — we have calculated each producer's exact distance from this measuring post on our menu.

While enjoying afternoon tea, admire the collection of works by talented Western Australian artists, Philippa and Alex Nikulinsky. The Cape Arid collection depicts the Australian bushland using watercolour, pencil, pen and Chinese ink. The husband and wife team often journey into Cape Arid National Park on the far south-eastern coast of Western Australia to paint the landscape.

Front cover features artwork by Philippa Nikulinsky.

Philippa's Cape Arid book and limited edition large botanical prints are available to purchase at COMO The Treasury's Arrivals Lounge, or via the State Buildings online gift shop at shop.statebuildings.com.
